

First Media Australia

WeChat ID: Au_Firstmedia

Intro: First Media Australia commenced in 1995 and is well-known by some of Australia's companies, developers in Real Estate industry to manage developers marketing strategies, achieve real outcomes and develop proactive offline and online media strategies through seven print media publications, small individual events or large events as Australian Property Expo. We also assist our client to maximise exposure in the Australian Asian market, connecting Developers, Agents, Investors and Buyers, and vice versa. First Media has earned a reputation across the development and real estate sectors that is captured in these five words – Creativity, Consistent, Diversified, Proficient and Confidence.
